

Module 6: Pulling It All Together — Success Checklist

1. Mindset Reset

- I believe it's not “too late” for me to start.
- I view age as an advantage, not a setback.
- I commit to consistency over perfection.

2. Recognize Real Opportunities

- I can spot red flags of online scams.
- I know what makes an online business legitimate.
- I understand the value of following a proven system.

3. Marketing Made Simple

- I know how to create short videos (15–90 seconds).
- I can use AI tools to speed up content creation.
- I know how to identify my perfect customer.

4. Choose Your Path

- I've reviewed different business models (affiliate, digital courses, etc.).
- I know why done-for-you systems save time and stress.
- I'm clear on my next step to launch my business.

5. Commit to Action

- I will take at least one action daily (no matter how small).
- I will plug into training, community, and support.
- I will treat this as a real business — because it is.
